## UNIFORM PHILOSOPHY

---

A large part of what we do at SAA is to help our families raise people of character. We know that studying a discipline in the arts (dance, drama, music) is a foundational element in building that character.

Therefore, we are committed to striving for excellence and raising the level of respect by enforcing a uniform policy.

At SAA we use colors for each of our levels. It is a visible sign of progression and growth that motivates the artist to the next level. Uniformity in the classroom also helps the students start from a place that is neutral (vital for actors to develop characters) and allows the teacher to better see and assess that the correct technique is being used.

### Our color levels for Uniform Leotards and T-Shirts:

Renaissance-pink (ages 2-5)

Baroque - blue (ages 5-9)

Classical - purple/lavender (ages 9-12)

Impressionist - black/green (ages 12-18)

To shop for the full uniform, please visit

Look in the right top corner to create an account or log in for returning customers.

Pick your category, Renaissance, Baroque, Classical, Impressionist, find your class, and enjoy shopping!

SAA Uniform T-Shirts Are Purchased at SAA.

We are excited about seeing all the colors of progression fill our halls! Remember "FUN WEEK" is the time to wear a different color than the uniform policy states, but please continue to have the correct shoes and hair as this is key in learning a discipline.

We are confident that the uniforms will keep respectfulness in the classroom and demonstrate character in your artist.
